

Company

Description

The Company application stores the identification and contact details of the organization using SaltOS4. This data is used across the system to personalize documents (quotes, invoices, emails, etc.) and define the legal and fiscal identity of the company.

It typically includes the company's name, tax code, address, logo, and preferred language.

List view

Name	CIF	City	Country	Active
SaltOS Solutions SL	B12345678	Barcelona	Spain	✓
Total: 1				

The following fields are displayed in the list view:

- Name: Registered name of the company.
- Code: Tax identification code (e.g., VAT, CIF, NIF).
- Country: Country where the company is based.
- Email: Main contact or support address.
- Phone: Company phone number.
- Active: Indicates whether the profile is in use (usually only one is active).

Form view

This view is used to define or edit the company profile.

In **create** mode, the form is empty and ready to enter new data.
