

Employee Types

Description

The Employee Types application allows you to classify employees according to their role, contract, or internal categorization. This helps structure the HR database and supports filtering, reporting, or access control.

Common types include "Full-time", "Part-time", "Contractor", "Intern", etc.

The form includes the following fields:

- Name: Name shown in the type dropdown in employee forms.
- Description: Notes about the type's intended usage.
- Active: Controls if the type is selectable.

Delete

Employee types can only be deleted if they are not assigned to any employee.

Otherwise, it is recommended to disable them.
