

Company

Description

The Company application stores the identification and contact details of the organization using SaltOS4. This data is used across the system to personalize documents (quotes, invoices, emails, etc.) and define the legal and fiscal identity of the company.

It typically includes the company's name, tax code, address, logo, and preferred language.

List view

The following fields are displayed in the list view:

- Name: Official name of the company or organization.
- CIF: Tax identification number (NIF, CIF, VAT, etc.) of the company.
- City: City where the company is located.
- Country: Country where the company is legally registered or operates.
- Active: Indicates whether this company profile is active in the system.
