The screenshot shows the SaltOS application interface. On the left, there is a sidebar with a list of work orders (Treballador) and their dates. The main area displays a modal window titled 'ordre_de_treball_100.pdf'. This modal contains a form titled 'Informe d'ordre de treball' with the following fields:

Data	2024-11-10	Identificador	100
Treballador	Matthew Reeves	Client	Meyer Ltd
Descripció Week course bad despite whether factor night. Box off method information.			
Hores	4.58	Preu	76.53
Total	350.51	Factura	F2025-0089

At the bottom of the modal, there are two buttons: 'Descarregar' (Download) and 'Tancar' (Close). The background shows a list of work orders with columns for date and worker name.

Des de la vista individual d'un registre (view), l'usuari pot generar i descarregar un PDF amb totes les dades rellevants d'aquest registre.

Des de la vista de llista (list), és possible seleccionar diversos registres mitjançant les caselles de selecció i generar un únic PDF que els inclogui tots.
